

# ASSA AD 391TP Desmo

Casino Lock

## Performance

ASSA Desmo is a high security cylinder design based on direct driven pins.

ASSA Desmo AD391 is an 8-pin camlock to be used on doors with 16/19 hole and up to 7 mm thickness.

The ASSA Desmo 8-pin design allows master keying and the technology creates a high number of differs.

Cylinders are made of nickel plated brass and the keys of nickel silver.

## Function

The key turns 90° and can be removed when the catch is both in locked and unlocked position.

Right hand turning as standard and left hand available on request.
